

Criterion 4

The lists of questions are not all-encompassing; they are categorized only to act as helpful questions used to prepare the campus prior to the meetings with the HLC visit team.

When preparing answers to the criterion team's questions, please consider incorporating the themes expressed in UAFS's Mission and Vision Statements, as well as its Commitments and Strategic Plan.

Criterion 4. Teaching and Learning: Evaluation and Improvement

The institution demonstrates responsibility for the quality of its educational programs, learning environments and support services, and it evaluates their effectiveness for student learning through the use of...

9. Dual Credit Course Equivalence: How does the institution ensure that dual credit courses offered at high schools are equivalent in learning outcomes and levels of achievement to its higher education curriculum?
10. Accreditation Maintenance: What processes are in place to maintain and regularly update the specialized accreditations for various programs, and how is this information communicated to the public?
11. Regular Assessment Evidence: Can you provide evidence of the regular, ongoing assessment of academic and curricular program learning outcomes as outlined in the program assessment plans?
12. Assessment Consistency: How does the institution ensure that the assessment of learning outcomes is consistent with the established program assessment plans?
13. Faculty Engagement: Can you demonstrate how faculty and instructional staff are substantially engaged in the assessment process?
14. Assessment Documentation: What specific documentation is maintained to track the regular assessment of program learning outcomes?
15. Use of Assessment Data: Can you provide specific examples of how the assessment process has informed decisions and actions to improve student learning?
16. Outcome Improvements: How has the information gained from assessments led to measurable improvements in student learning outcomes?
17. Assessment Plan Integration: How are the results of the assessments integrated into the overall program assessment plans and institutional strategies?
18. Stakeholder Involvement: How are faculty and instructional staff involved in developing and implementing assessment plans?
19. Evidence of Impact: Can you provide specific evidence showing the impact of the assessment process on student learning and program improvements?
20. Continuous Review: How does the institution ensure that the assessment processes are regularly reviewed and updated to remain effective and relevant?
21. Tell us about your department, school, or college's assessment program. How was it developed? Is it well-known throughout the institution?
22. How has course/program assessment within your unit changed over recent years?
23. What improvements have resulted from the assessment?
24. Is your unit or is UAFS more effective than it was 5-10 years ago?
25. How are faculty/staff involved in course or program assessment? How are concurrent/online/adjunct faculty involved?
26. How is consistency of Student Learning Outcomes (SLOs) guaranteed from section to section of the same course?
27. How is information analyzed and shared with stakeholders concerning student outcomes?
28. Where is the institution using data to improve student learning?

29. What is changing as a result of the data? At the program level? Department level? Institutional level?
30. How do program assessment results impact your budget and planning processes?
31. Describe the program review process at UAFS. Has your department been through it recently? What was the process like?
32. What measures do you have in place to ensure the process has an impact on student learning?
33. What measures are used for student placement? How is this handled for dual enrollment and online courses?
34. Describe the transfer policy used by UAFS for general education courses and courses in your major.
35. Describe the general education course approval process.
36. How are you made aware of UAFS's students' achievement of the university student learning outcomes? Where is this information located?
37. How is UAFS doing with regard to first-year retention rates and graduation rates?
