#### Student Degree Program Requirements.

A student's degree program requirements are those specified in the catalog in effect at the time of declaration of program by the student. Students must adhere to the program requirements with the approval of their advisor. If original courses are eliminated, students may be required to meet new curriculum requirements in the degree program. If students are not enrolled for two or more consecutive terms (excluding summer), they must reenter under the program requirements of the current catalog. Students are responsible for understanding program requirements and changes. This document is not official until signed and dated by both the student and an authorized university representative.
